

# ART PROOF

THE SIGNING OF THIS PROOF CONSTITUTES A CONTRACTUAL AGREEMENT

This is your production proof. Please read all details carefully and list any mistakes made, or last minute changes. We need approval before moving into production. Note any small lettering or artwork (fine print type or registration marks) may be unreadable or fill-in once printing has begun. If needed please advise how to handle these areas. Multiple color imprints may adjust slightly due to registration. Again make sure all details are met and checked thoroughly. We print what you approve. No refund can be issued due to incorrect proof approval.
